

**The Confucius Institute in Chicago Presents**  
**CONVERSATIONAL CHINESE LEVEL 5**  
**A Six-Week Advanced Learner's Course**

The Confucius Institute in Chicago is pleased to offer Conversational Chinese Level 5. This six-week course is built upon the previous four levels offered at the Confucius Institute and is suitable for students who have completed the book of "Beginner's Chinese" by Yong Ho and ready to move on to his second book of "Intermediate Chinese". Students who have previously learned Chinese elsewhere and have achieved the equivalent spoken Chinese skills are also welcome to sign up. This class will continue to teach the conversations in mandarin Chinese (Putonghua) and use Pinyin phonetic system to build sentence structures and conversations.

The course will be taught by Jane Hu. A native of Shanghai, China, Ms. Hu is a professional language/cultural and media consultant based in Chicago. Apart from extensive experience in interpreting and cross cultural training, Hu is also a seasoned Chinese language instructor. Her students have included business people, educators, China-bound tourists, families who have adopted (or are adopting) Chinese children, language lovers and people from all walks of life and professions. Her engaging and interactive teaching style has turned around the thinking (or *myth*) by many Americans that "Chinese is too difficult to learn" and enabled many happy learners to develop basic to intermediate conversation skills in Chinese.
